LB 532

SENATOR WARNER: \$35 a day.

SENATOR KEYES: And, this \$35 comes out of the fund that they have? Comes partly from the licenses and the other from the general fund, is that right?

SENATOR WARNER: That is correct Senator Keyes. The full impact of the bill that was passed was \$6,300 a portion of it came from their cash funds which was increased for personal services in 532, to handle that. The \$1,300 was the proportionate share that increased that came from general funds. The committee's position was that the increase in per diem, which they will receive, could come out of their existing appropriations. The purpose of the amendment is to add \$1,300 plus dollars to their existing amendment to pay it. So, the argument should not evolve around at all whether or not they are going to get it. That they are going to get. The argument is do you want to increase the general fund by \$1,300 to do it and whatever the body decides is fine.

SENATOR KEYES: Okay, thank you Senator Warner. I'm going to vote for this, not because of the \$35, because they are going to get the \$35 anyhow. I'm going to vote for it because it will \$1,300 more money that will go from the general fund into the special fund of the Game and Parks Commission. I feel that they can use the money. Thank you.

PRESIDENT: Senator Fitzgerald.

SENATOR FITZGERALD: (no response).

PRESIDENT: Senator Cullan, will you close debate on this matter.

SENATOR CULLAN: No close.

PRESIDENT: No close. Oh, excuse me, I'm sorry Senator Fitzgerald.

SENATOR FITZGERALD: Mr. President, could I ask Senator Dworak a question.

PRESIDENT: Certainly, Senator Dworak would you go to your microphone.

SENATOR FITZGERALD: Senator Dworak, you insinuate in here today, can you document the facts that these people are being picked up in airplanes, or is this heresay that you have heard?

SENATOR DWORAK: I think that I can document that.

SENATOR FITZGERALD: You think you can.

SENATOR DWORAK: Through logs. Through airports, landings, take-offs. I think that is easy to document.

SENATOR FITZGERALD: When you received your award, was you picked up?
